Maintenance Checklist

LEISURE TRAVEL VANS

This checklist is a general guideline for the coach and is not all-encompassing. Some items may not be optioned on your specific coach. Please see your owner's manual and the specific component and chassis manuals for further details on maintenance.

Weekly

- ☐ Test smoke and CO/LP detectors
- ☐ Clean interior of coach

Monthly

- ☐ Clean smoke and LP/CO detectors
- ☐ Check fire extinguisher
- ☐ Exercise generator
- ☐ Clean solar panels
  (Use water and a soft sponge or cloth. A mild non-abrasive cleanser can be used for more stubborn residue. Rinse well)
- ☐ Wash exterior of coach
- ☐ Lubricate side entry step (KwikLube)

Every 6 Months

- ☐ Lubricate hydraulic jack shafts (WD-40)
- ☐ Lubricate stabilizer jacks (silicone spray)
- ☐ Lubricate entry door latch and hinges (WD-40)
- ☐ Lubricate awning arm joints (silicone spray)
- ☐ Check/clean rubber seals (slide out bulb gaskets, baggage compartments, etc)
- ☐ Check/clean baggage rubber hinge
- ☐ Clean batteries, check water levels if required
- ☐ Check/clean furnace exterior vents
- ☐ Check/clean fridge vents
- ☐ Check/clean fridge vent tube
- ☐ Check/clean air conditioning vents in ceiling
- ☐ Check/clean slide out bulb seals
- ☐ Replace smoke detector batteries
- ☐ Test the GFCI (receptacle or breaker)

Annually

- ☐ Check/repair exterior seals (including roof)
- ☐ Service generator
- ☐ Clean water pump filter
- ☐ Replace freshwater system filter (Unity)
- ☐ Clean water heater inlet filter
- ☐ Sanitize freshwater system
- ☐ Lubricate slideout mechanism
  (CRC Powerlube with PTFE)

As Required

- ☐ Rinse out black tank
- ☐ Winterize/de-winterize
- ☐ Adjust screen door latch
- ☐ Check tire pressure and wear
- ☐ Chassis lighting operation
- ☐ Washer fluid
- ☐ LP system condition
- ☐ Check hitch and receiver condition
- ☐ Adjust awning pitch
- ☐ Fill DEF fluid (Diesel Chassis)
- ☐ Decalcify the water heater
- ☐ Service Chassis
